Dear parent / carer

I am writing to inform you that your child has been selected to take part in an intra-school attendance competition across The Consortium Academy Trust. Teams of Year 10 students from across the six secondary schools will compete over the next half term to win prizes and improve school and individual attendances.

Your child has been selected because their attendance this year has been below 90%, and this is affecting the progress they are making in some subjects. We know that regular attendance is crucial for personal and academic success, and we are keen to support your child in achieving the best possible attendance over the coming weeks and contribute to Hessle High School & Sixth Form College winning the intra-school competition!

This six-week competition has been designed to encourage and reward students for improving their attendance. The competition will start immediately after the Easter Holidays and run for the whole half term.

We understand that attendance can sometimes be challenging, and we want to work together to ensure your child has every opportunity to succeed. If there are any barriers to attendance that we can support with, please do not hesitate to contact us.

We hope that this competition will serve as a fun and motivating way to help your child attend school and reach their full potential. Please encourage and support us by promoting this competition at home.

If you have any questions, please do not hesitate to contact us on  
[attendance@hessleacademy.com](mailto:attendance@hessleacademy.com)

Thank you in anticipation for your support

Yours sincerely

Mr V Groak  
Headteacher
