Dear Parents/Carers

We are delighted to inform you that Year 5 will be taking part in an exciting Planetarium Workshop in school on the morning of **Tuesday 24 March 2026**.

The workshop will provide the children with a fantastic opportunity to explore the wonders of space in an immersive, dome-shaped planetarium experience. It will support our current learning in science and give pupils the chance to deepen their understanding of topics such as the solar system, planets, stars and space exploration in a fun and engaging way.

We aim to keep the cost of school visits as affordable as possible so that every pupil has the opportunity to take part in these enriching experiences.

We are requesting a **voluntary contribution of £8.95 per child**. Although contributions are voluntary, **if we are unable to cover the full cost through contributions, the visit may need to be cancelled**. In that event, all payments will be refunded. Otherwise, please be aware that payments are non-refundable.

Consent is required for this visit so please complete the relevant consent form under trips/visits via the Arbor portal no later than **Friday 20 March 2026**. If you have not yet activated your parent portal account, please click [here](#)

We are committed to ensuring that no pupil misses out due to financial circumstances. If this may be a concern for your family, please contact the class teacher or the school office on ppsoffice@hessleacademy.com. All enquiries will be handled sensitively and in confidence, and we will advise on any support that may be available.

We are confident that this will be a memorable and inspiring experience for the children. Should you have any questions, please do not hesitate to contact the class teacher.

Thank you for your continued support.

Yours faithfully
Year 5 Team
