Dear Parents/Carers

We are delighted to share details of our proposed Year 6 reward trip as part of our end-of-year celebrations. Children suggested a range of activity ideas, and to ensure fairness, one option was drawn at random to decide the final trip. The destination chosen was Harry Potter Studios in Watford, and we are pleased to confirm that the school will fully fund this visit.

We appreciate that, as with any selection process, some children may feel disappointed that their suggestion was not chosen. Please be assured that the process was carried out fairly and transparently, and the chosen trip represents an exciting opportunity that we believe will create a truly memorable end-of-Year-6 experience for those who take part.

As a number of parents and pupils have voiced questions or concerns, we would like to gather an accurate sense of how many families are happy for their child to attend the Harry Potter Studios trip. We will make our final decision based on the majority preference. Please use the anonymous voting link below to indicate your choice:

Please complete the form [here](#) no later than Friday 13 March 2026.

Alongside this larger reward trip, we have also listened carefully to pupils who have suggested local experiences such as Gravity or other nearby venues. As we have explained to the children, we are already planning a smaller local reward activity on the Friday afternoon after SATs. This will be a celebration of the hard work they have all put into their preparations. Every Year 6 pupil will have the opportunity to suggest ideas, and the final decision will be made through a pupil vote using our polling-station style system. This local activity will not be fully funded, but it will be an inclusive celebration for all pupils.

Once we have received your feedback, we will arrange a parent information meeting, where you will have the opportunity to ask any questions.

Thank you for your continued support and for working with us to create the best possible experiences for our Year 6 pupils. We look forward to receiving your responses.

Yours faithfully
The Year 6 Team
